

[002] FIELD OF THE INVENTION ◆

[003] The invention concerns a transmission, in particular an automatic transmission, of the type defined in more detail in the preamble of Claim 1. ◆

[004] BACKGROUND OF THE INVENTION ◆

[009] ~~According to the invention, this objective is achieved with a transmission having the characteristics of Claim 1.~~ ◆

[010] SUMMARY OF THE INVENTION ◆

[016] BRIEF DESCRIPTION OF THE DRAWINGS ◆

[017] ~~Other advantages and further developments of the invention emerge from the subordinate claims and from the example embodiment whose principle is described below~~ ◆

[017] The invention will now be described, by way of example, with reference to the accompanying drawing,s in which are shown: ◆
